

Silver St. George

The Silver St. George recognizes members of the Executive Board or its Committees (Standing, Advisory, Ad Hoc, etc.) who have provided significant service to the National Catholic Committee on Scouting. While a specific number of years of active service at the national level shall not be a requirement for nomination for the award, active tenure at the national level should be a significant length to merit recognition, e.g. five years. Previous recognition with the St. George by the individual's diocese shall not be a requirement; however, the local ordinary, diocesan chair or chaplain should be consulted about the appropriateness of the award.

The Silver St. George is presented at the NCCS Annual or Biennial meeting. Recipient does *not* earn BSA Adult Religious Knot as it is not a BSA award.
