## International Catholic Awareness Activities

The International Catholic Conference of Scouting provides an opportunity for its members to meet together as friends in the Catholic Church. It links the Catholic Church and the Scouting Movement all over the world. It contributes to the complete education of young people through Scouting from the perspective of the Catholic faith. It develops and enhances the spiritual dimension of Scouting in the World Scout Movement.

This is a temporary activity patch that is worn on the right pocket of the scout uniform.

Visit [www.nccs-bsa.org](http://www.nccs-bsa.org) for information on how to order patches for any of our religious activities.
